

PRIVACY POLICY

The privacy policy applies to the Viwer network Service ("Service") maintained by Flycam Oy ("we"/ "us"/ "our"), company code 2325999-8.

1. INTRODUCTION

1.1 Protecting your privacy as user of our Service is important for us. We strive to keep all of your information confidential in accordance with these principles. As part of the normal activities of our services, you may voluntarily provide us with information about you ("Personal information"). The meaning of these Privacy Policy principles is to tell what kind of Personal Information we collect about you and from where, how to use such Personal Information and how we protect your Personal Information and Privacy.

1.2 We are happy to respond any questions regarding these Privacy Policy principles, collected Personal information and their use. If you have any questions or comments, please let us know. If you want (as subscriber) to correct, update, change or delete any information about you, you can also use the "Personal Information" section of your member area. We may charge you a small processing fee for completing your request.

2. WHAT AND WHAT KIND OF INFORMATION WE COLLECT?

Non-Service Subscribers

2.1 If you only visit the public part of the Service (ie. you are viewing user-generated presentations and user material), we will not collect any Personal Information from you. However, we may automatically collect information about your visits, for example, your browsing habits. This collected information does not disclose your contact details or any Personal Information. Such information will only be used in a composite form for the analysis, management and development of the Service, and it can not be linked to any individual person.

Subscribers of the Service

2.2 The Service may at any time or at some point in the future provide services that are only available to subscribers of the Service. If you are a subscriber of the Service, we collect and retain the information provided by the subscriber or personally identifiable information such as an e-mail address, username, billing address (person's location) and payment information.

In addition to the aforementioned, you may also provide other Personal Information we need to provide you with services you subscribe, such as credit card information, other information about yourself or information about your preferences or experiences.

As a rule, Personal data is collected from the subscriber of the Service during ordering or registration or during the customer relationship.

3. HOW WE USE PERSONAL INFORMATION?

Services

3.1 All Personal information is used to provide the services you subscribe.

Marketing

3.2 From time to time, we may use your Personal information to provide you with other services and products that our company or affiliates provide, as well as news about special offers and our business activities. This is done in accordance with registered preferences of your service. You can change your preferences at any time in accordance with section 1.2. You may at any time and without charge decide not to receive marketing communications from us or affiliated companies by notifying us about it.

Legal conditions

3.3 Personal Information of the service subscribers may be disclosed as required by the competent authorities. Personal Information may also be disclosed in a legally enforceable manner, as well as to operate our systems properly or to protect ourselves or other site users. We also reserve the right to disclose Personal information to third parties if, owing to your use of the Service, you are taken a legal action and we consider your use to be in violation of our Terms and Conditions.

Public forums

3.4 The Service may provide chat rooms, forums, bulletin boards and newgroups. We kindly ask you to note that all Personal information you provide in these parts of the Service will be public. We ask you to use caution when deciding to disclose information to these parts.

4. HOW WE PROTECT PERSONAL INFORMATION OF SERVICE SUBSCRIBERS?

4.1 When you subscribe to our Service or provide Personal information to the Service, we will use the necessary technical and organizational measures to protect your Personal information against unauthorized access and accidental or unlawful alteration, destruction, disclosure, transfer or other unauthorized access, and to ensure that you can safely hand over your Personal information. As a result, we may ask you to verify your identity before we provide you with Personal information.

5. COOKIES

5.1 The Service provides cookies. These are computer files that allow us to trace different information about your use of the Service. You may be able to configure your web browser to block cookies, but this may result in some features or services being no longer available. We may allow third parties to advertise on our site, and advertisers may also use cookies to gather information about how you use the ads you have seen and the ads you are interested in. For more information about cookies and their rejection, visit www.allaboutcookies.org.

6. SELLING OR MERGER

6.1 If the Service is sold or merged with another company or if our business (or part of it) is sold or merged with such company or joint venture is established with a company that is not owned by Flycam Oy, all or part of your Personal information collected in the Service may be transferred to the buyer or to the subsidiary. If this happens, we will try to oblige another company to use the Personal information transferred from the Service in accordance with these principles. However, we cannot guarantee that we will be able to meet our demand or that the purchasing company will do so.

7. THIRD PARTIES

7.1 From time to time, we may agree with a company we do not own to provide complementary features in the Service.

7.2 You should familiarize yourself with the Privacy Policy principles of co-branding websites. All the personal information you disclose when signing in to a co-branded site can be shared with our third party partner, following the privacy policy of that site.

8. CONSENT

8.1 By accepting the Terms and Conditions or by using the Service, you agree that we may collect and use your Personal information for the purposes mentioned above and for any other purpose reasonably necessary to provide or administer the Service in accordance with the Terms and Conditions.

8.2 You agree that your personal information may be transferred to countries outside the European Econom-

ic Area for the aforementioned purposes, whose privacy laws may not provide the same level of protection as Finnish Law.

8.3 If you do not want your Personal information to be used in accordance with these Privacy Policy principles or Terms and Conditions, we encourage you not to use the Service.

9. CHANGES IN OUR PRACTICE

9.1 Flycam Oy may change these Privacy Policy principles at any time. Flycam Oy publishes the changed Privacy Policy principles on the website and informs the subscriber of the Service of any change in the Privacy Policy in Viwer or by e-mail to the e-mail address that subscriber of the Service has added to Viwer. If the subscriber does not accept the changed Privacy Policy, the subscriber should cease using the Viwer Service. We use Personal information in accordance with the Privacy Policy for which the information has been collected during the validity period.

9.2 These Privacy Policy principles are part of the Terms and Conditions of the Service. All terms specified have the same content as those in the Terms and Conditions.

Questions and comments about service planning or Privacy Policy are welcome. If you have any comments or comments about using your Personal information, please do not hesitate to contact us.
